

# Oh How She Lied To Me

by Harry White and Will Donaldson 1923

The musical score is written in 3/4 time and consists of two systems of two staves each. The first system contains the first two lines of music, and the second system contains the chorus, which is also two lines of music. Chord symbols are placed above and below the staves to indicate the harmonic structure. The key signature has one sharp (F#), and the time signature is 3/4. The score ends with a double bar line and repeat dots.

Chorus

## Original Lyrics by Harry White, 1923

Don't ask me why I look worried, And why there's a tear in my eye,  
For I fell in love with a sweet turtle dove, And I'm such an innocent guy.  
She told me she loved me, but Oh! how she lied, Oh! how she lied, Oh! how she lied,  
My poor heart is broken and Oh! how I cried, She made a fool out of me.  
She said that my money would lead me astray. And just to protect me she took it away  
She said she'd return it on some rainy day. But Oh! how she lied to me.

## Alternate Lyrics by J. Lamancusa, 2025

Don't ask me why I look worried, And why there's a tear in my eye,  
Because I was conned by a fellow named Don, And I'm such a gullible guy.  
He told me he'd save me, but Oh! how he lied, Oh! how he lied, Oh! how he lied,  
My budget is broken and Oh! how I cried, He made a fool out of me.  
He said that my money would lead me astray. And just to protect me he took it away  
He said he'd return it on some rainy day. But Oh! how he lied to me.
